Origami Fly Instructions
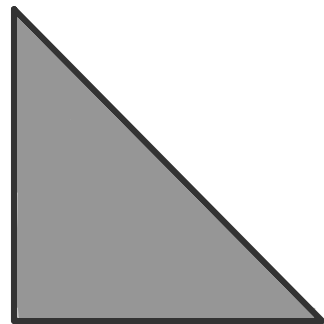

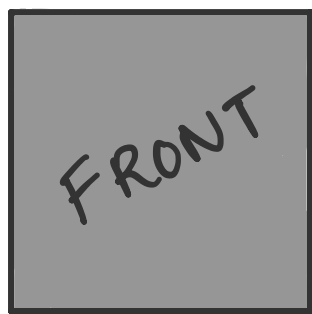

Step 1: Fold paper diagonally in half, crease, then unfold.
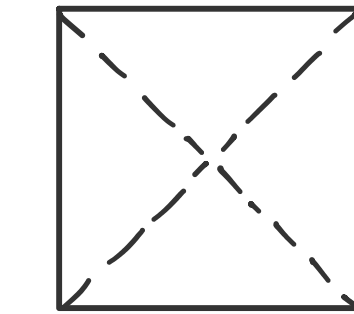

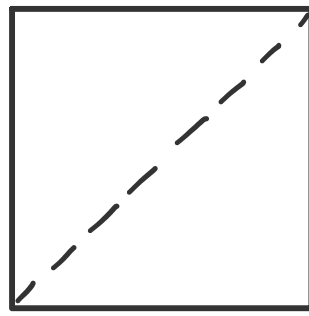

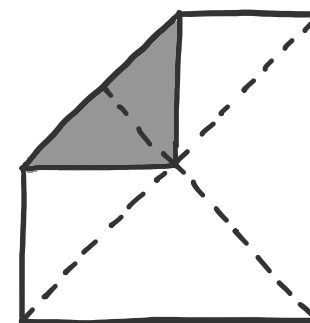

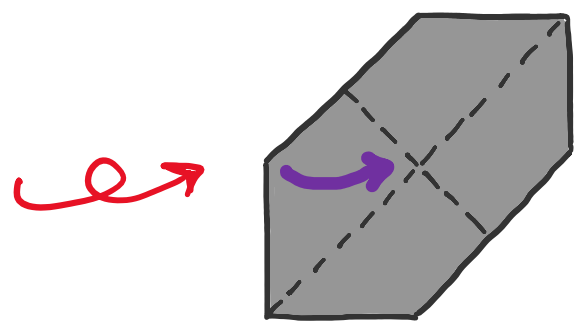

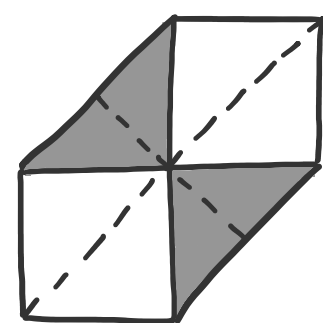

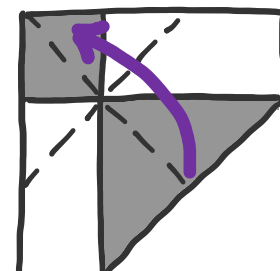

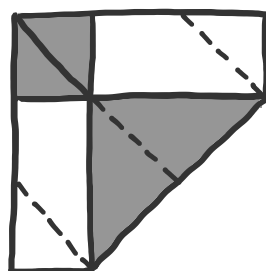

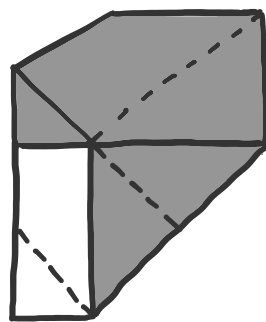

Step 2: Repeat along other diagonal.

Step 3: Fold top left corner to middle of paper where diagonal creases meet. Repeat with opposing bottom right corner.
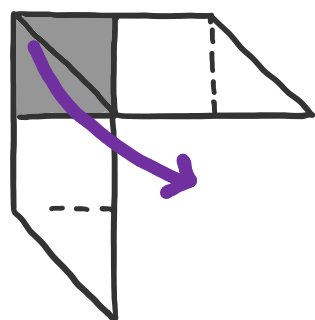

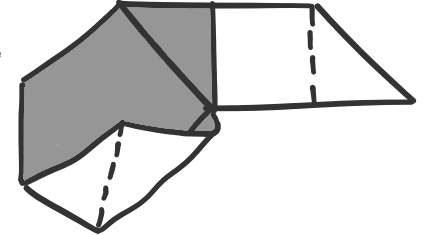

Step 4: Flip paper over. Fold top left corner to middle crease. Repeat on the other side.
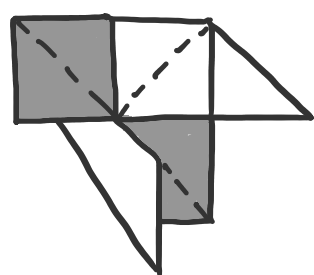

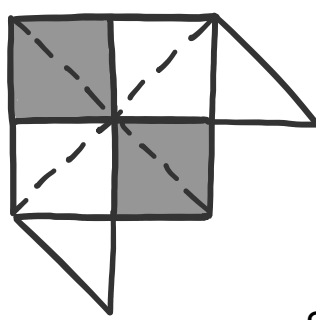

Step 5: Flip paper over. Fold bottom edge up to meet top corner.

Step 6: Fold the back top right edge down to meet middle fold line. Repeat on left side.
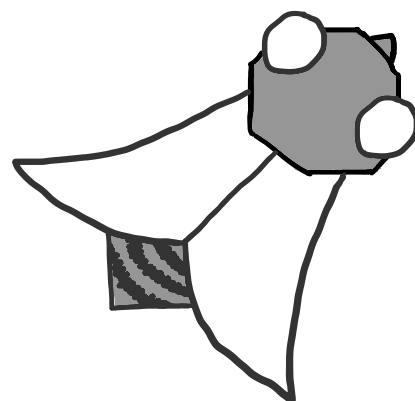

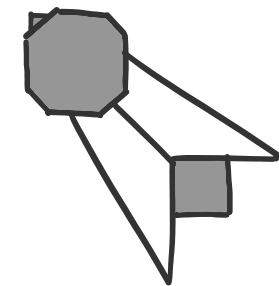

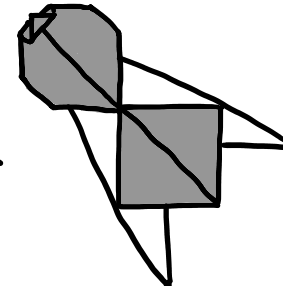

Step 7: Fold top flap down.

Step 8: Fold left edge along middle crease under the top flap. Repeat on opposite side.

Step 9: Push in both sides of the head to create a rounder shape. Pleat fold the apex to create the proboscis. Flip paper over and fold back of the head.

Step 10: Create your favorite mutant!

What does "Pay It Forward" mean to you?
