

33rd

Fungal

Genetics Conference

MARCH 17-22, 2026 | PACIFIC GROVE, CA

Perkins/Metzenberg Lecture

Nancy Keller

University of Wisconsin, Madison

IMPORTANT DATES

December 4, 2025

Abstract submission deadline

December 5, 2025

Early Registration deadline

January 13, 2026

Housing deadline

PRE-MEETING WORKSHOPS

22nd International Aspergillus Meeting

4th Symposium on Zygosporic
and Zoosporic Fungi

Dothideomycetes Genetics Workshop

Fusarium Workshop

Magnafest

ABSTRACT TOPICS

- Biochemistry and metabolism
- Biotechnology
- Cell biology
- Developmental biology
- Evolutionary/Comparative genomics
- Functional genomics
- Fungal diversity
- Fungal ecology
- Gene regulation
- Initiatives in education and pedagogy
- Pathogenic and mutualistic interactions
- Population genomics
- Synthetic biology

Scientific Organizers: Meritxell Riquelme and Antonis Rokas
