2. Co-Chair and GSA Engagement Q&A
   a. Ongoing concern: Engagement of ECLP representatives decreases over course of year
      i. Suggestions from co-chairs:
         1. Consider SCRUM leader style
            a. SCRUM-assigned representative handles check-ins and project management regarding deadlines
         2. Assign project leads, 1 ongoing member and 1 from new cohort
            a. Pushes engagement of members
         3. Eligibility to attend ECLP training courses tied to ECLP subcommittee attendance/involvement?
            a. Must be active in project(s) and attend meeting(s) as available
   b. Process feedback for Accessibility Subcommittee:
      i. Reinstitute liaisons from other subcommittees
         1. If willing to serve as liaison can attend monthly subcommittee meetings
2. At end of 1st year would transition to new liaison from new cohort
3. Alternate idea: Accessibility Subcommittee members join other subcommittee meetings
4. Engagement staff suggestion:
   a. Consider a web of connectivity between subcommittees
      i. This would need to be discussed on a structural level to determine how this will impact subcommittees
