Faculty sponsor’s printed name: _____

Faculty sponsor’s signature: _____

* Only available via credit card payment.

Dues Remitted: _____

\$ _____

A DONATION TO GSA MAKES A DIFFERENCE

Donations to GSA provide resources needed to sustain and grow GSA’s programs and initiatives, such as travel awards, early career programs, publishing innovations, and making conferences more inclusive. (GSA is a 501(c)(3) nonprofit organization; therefore, contributions are tax deductible to the full extent of the law.)

\$1000 \$500 \$250 \$100 Other \$ _____

I prefer to make this donation anonymously

I am interested in making a recurring contribution (you will be contacted by our staff)

TOTAL REMITTANCE ENCLOSED

\$ _____

Automatic Renewal: (You must pay with a credit card)

Automatically renew my annual membership dues each year. I authorize the Genetics Society of America to automatically charge my credit card for membership dues each year. Please visit our website for the complete Terms and Conditions.

Payment may be made via money order; a check drawn on a US bank, in US currency ONLY, and made payable to: Genetics Society of America; MasterCard; VISA; Discover; or American Express credit card. Checks drawn on non-US banks cannot be accepted.

CREDIT CARD INFORMATION - Please type or print clearly

Credit card will be processed by the Genetics Society of America.

Check type of card:

Visa MasterCard Discover American Express

Card number _____ C.V.V. # _____

Name on card _____ Expiration date _____

Authorized signature _____ Date _____

Where’s the C.V.V. number?

Visa, MasterCard and Discover:
The card security number is the 3-digit number located on the back of your card, usually at the top of the signature strip.

American Express Users
Look for the 4-digit number printed on the front of your card. Depending on which card you have, you’ll find this number in small type above your credit card’s main number on either the left or right side.

Select your meetings of interest:

- C. elegans* Fungal
- Chlamydomonas* *Xenopus*
- Ciliates Yeast
- Drosophila* Zebrafish
